Kingdom of the Netherlands

Dear Sir / Madam,

**We cordially invite you to participate in a Round Table session on “Dutch greenhouse technology and knowledge, the HortiTechIndia way forward”, on Friday May 25<sup>th</sup> in the Taj Mahal Palace Hotel in Mumbai.**

On the 24<sup>th</sup> and 25<sup>th</sup> of May 2018, the Dutch Prime Minister Mark Rutte will visit India with 4 cabinet ministers, 15 CEO’s and 220 business delegates. This largest Dutch trade mission to India till date will further strengthen the relations in agriculture, smart cities, water management and life sciences & health.

Ms. Carola Schouten, Dutch Minister for Agriculture will be visiting Mumbai on May 25<sup>th</sup>, leading the agriculture, horticulture and food delegation. The Minister will explore areas where Dutch organisations can work with Indian counterparts in achieving the vision set out by the Prime Minister of India on improving the agriculture and horticulture sector in India.

As part of the delegation, the partners of HortiTechIndia, a consortium of highly innovative Dutch companies and knowledge institutes operating in the horticulture sector, will host a Round Table session on Dutch greenhouse technology and knowledge. The Netherlands is able to achieve the highest yield per m<sup>2</sup> in greenhouses in the world. HortiTechIndia wants to transfer this knowledge and technologies to India. During the Round Table session, a business case, suited for the Indian context, will be presented showing the commercial viability of investing in Dutch technology and knowledge.

You can register for the session by sending an e-mail to [HortiTechIndia@larive.com](mailto:HortiTechIndia@larive.com), mentioning your name, organization and phone number. If you have questions please feel free to contact us via email or phone +91 9972 461202 (Girish Patki, Liaison HortiTechIndia).

We hope to welcome you on May 25<sup>th</sup>.

Kind regards,

Davinia Lamme

Managing Partner, Larive International
